Subject: Declaring 2000 Ford Expedition (M-1504) as Surplus

Background

The district currently owns a 2000 Ford Expedition (M-1504). This piece of equipment is no longer used and is determined excess by Operations and Fleet Management. Currently, the vehicle mileage is 190,686. It has been driven 410 miles since November of 2019.

Recommendation

Authorize district staff to surplus M-1504 in a matter deemed appropriate by the district, including the use of consignment dealers' lots and/or auctions.
