Subject: Review of Candidate Applications and Possible Selection to Fill Board Vacancy

Background:

Notices of Vacancy were posted in 3 locations for 15 days prior to the September 25th Board meeting. An ad was also included in the newspaper on September 6th and 13th. Four candidates submitted resumes which were reviewed at the September meeting.

One candidate, Paul Schultz, requested his name be removed from further consideration for the vacant position.

Recommendation:

After review of candidate information, interview candidates and decide which candidate might best serve the district. Upon Board selection and candidate acceptance of the vacant seat on the Board, the candidate may be sworn into office, to fill the unexpired term.
